**Important Update to California Endodontists, Periodontists and Oral Surgeons  
About Fee Structure Adjustments**

Prior to the onset of the Coronavirus (COVID-19) pandemic, we announced the lowering of maximum amounts allowed (sometimes referred to as MPAs) for most California network endodontists, periodontists and oral surgeons in order to better align our contracted fees with those generally accepted as network levels in the broader market.

Due to the continued pandemic impacts on the dental communities, we have made the decision to postpone this fee adjustment until further notice.
