

Delta Dental Community Care Foundation

In 2023, Delta Dental and the Community Care Foundation granted **\$1,409,442** within the state of **Pennsylvania**.

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$150 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

Access to Care Grants

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

Senior Oral Health Program

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

Education & Research Grants

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

Community Investments

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

Pennsylvania Partner Spotlight

The mission of **Greater Philadelphia Health Action (GPHA)** to serve diverse communities, prioritizing programs to enhance oral health and overall well-being. In 2020, they initiated a periodontal diabetes program, expanding in 2021 to cover anyone needing periodontal treatment, addressing Medicaid gaps. In 2022, a denture program aided qualifying seniors facing poverty and illness, aligning with Healthy People 2030 goals.

GPHA plans to extend these initiatives, emphasizing socioeconomic factors' role in health. Delta Dental's funding supports no-cost or low-cost prosthodontic care, senior oral health education, and the acquisition of four new Panoramic x-ray imaging machines, contributing to healthier outcomes for the senior population.

Delta Dental and the Community Care Foundation supported these organizations in 2023:
