

# Delta Dental Community Care Foundation

**In 2023, Delta Dental and the Community Care Foundation granted \$180,000 within the state of Utah.**

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$150 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

## **Access to Care Grants**

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

## **Senior Oral Health Program**

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

## **Education & Research Grants**

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

## **Community Investments**

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

## **Utah Partner Spotlight**

With 21 years of service, **Family Healthcare (FHC)** is a Federally Qualified Health Center addressing the primary medical, dental, and behavioral health care needs of underserved communities in Washington and Iron counties, as well as rural areas in South-west Utah. FHC serves 15,452 patients, providing 62,068 patient encounters, with a focus on offering a healthcare home to a healthcare home to diverse populations. The organization operates four clinics, offering integrated patient-centered care with a commitment to serving patients in one visit. FHC's dental program includes innovative practices such as fluoride varnish application during well-child visits.
