How does Delta Dental PPO work?

Delta Dental PPO is a dental insurance plan that helps you pay for covered dental services. After you meet your annual deductible (a set dollar amount you pay out of pocket), Delta Dental will pay a portion of your bill (up to your annual maximum).² You won't need an ID card to get care. Just give your information to your dentist and they can find your coverage.

- Visit any dentist for care, but save the most with a Delta Dental PPO dentist. PPO dentists accept reduced fees and won't charge you more than your expected share of the bill.
- Kids can use their full benefits immediately. Adults may have a waiting period for some services. Check your plan highlights for details or [the Health Care Exchange \(Marketplace\) plans page](#) for more information.

When you want a plan that will help cover your costs while offering you the freedom to see the dentist of your choice, choose a Delta Dental PPO plan.

This benefit information is only a summary and is not intended to replace or serve as the plan policy. Please [consult the plan policy](#) for a description of plan benefits, limitations and exclusions. In the event of any inconsistency between this document and the plan policy, the terms of the policy will prevail. View the complete benefits overview, limitations and exclusions, or call **888-857-0314**.

¹Delta Dental Premier is the largest dentist network nationwide based on total unique dentists, as of September 2022, according to Zelis Network360.

²For adult benefits, you are responsible for all charges once you reach your plan maximum.
